IMPORTANT: If for some reason you cannot serve when scheduled PLEASE use the list that accompanies this schedule to find a **substitute of the same position --- all, candle, or training**. Please advise me whenever you find a substitute or if you need help finding one. Call early, not just before your scheduled appearance. If you see a conflict the day you receive this schedule, that's the best time to call. At times when you are not scheduled to serve, please stop by the Sacristy to see if you might be needed to serve. If you would like to serve more than you are scheduled for or if you would prefer to no longer be listed on the server list, please call 771-2650 and leave a message. *****NOTE: Please send your name and email address to sahannon@hot.rr.com as we would like to begin using email and the parish website as our central method of communication with the altar servers.** We appreciate all you do. Thank you!
